- Palette for oils and acrylics. The Masterson palette usually works best for storage and longevity.

- Canvas or Masonite panels
- Basic set of colored pencils
- Graphite pencils – 2B, 4B, 6B

- Ahead of class, decide who you are going to paint. This can be of yourself, a family member, friend, or other connection. It's best to have several ideas and take as many photos of those subjects as possible in different poses. Make sure the images are not straight on of your subject. At least three-quarters view is best. Additionally, take photos of the subject's environment or objects that represent them so we can incorporate those elements into the painting. We will review all your images and pick which one(s) to paint in class.

**For ALL classes, remember to bring:**

- Sketchbook and pencil for sketching and notetaking
- Comfortable shoes and/or a rubber mat for cement studio floors
- Apron or smock
- Sweater; studios are air conditioned

The items listed above are recommended by the instructor. You may be asked to bring more than you will actually use. The acquisition and cost of these items are your responsibility.
