2D2450: Pastel Painting for Beginners with Robin Samiljan

Days: Saturday

Dates: August 31, 2024

Times: 9am – 4pm

Your tuition includes transparent gesso, art graf blocks, watercolors, and rubbing alcohol used for underpainting techniques. You can control the cost of your supplies below based on the quantities you choose to purchase (small sets or individual pastels vs larger sets).

Required Materials:

- Assorted soft pastels. A good range of color and value. I recommend Sennelier or Terry Ludwig pastels (depending on your budget), if you don't already own any soft pastels.
- Hard Pastels. Nupastel or Rembrandt for finishing marks and blocking in underpainting colors and shapes.
- Pastel papers. UArt400 sanded paper is my preference. Also Pastelbord by Ampersand can handle gesso and assorted underpainting materials that we will be exploring.
- Sketchbook, pencil, and sharpie marker.
- Photo references of landscapes to work on during class, these can be printed or on your device.
- Optional: Small color wheel

For all workshops, remember to bring:

- Comfortable shoes. The studio floors are cement.
- Apron or Smock.
- Sweater, the studios are air conditioned.

The items listed above are recommended by the instructor. You may be asked to bring more than you will actually use. The acquisition and cost of these items are your responsibility.
